Impact Report March 2020

Reducing social isolation: main achievements 2019-20

Big Hearts Community Trust aims to reach out and support individuals and families most at risk of social isolation across Edinburgh. In 2019-20 our charity engaged with more vulnerable people than ever before, using the power of football to create positive social change.

Big Hearts works closely with Heart of Midlothian FC and local partners to address identified areas of need in the community.

Creating opportunities for adults at risk

In the past year Big Hearts focused on maintaining a regular level of support across our programmes. We aim to offer groups most at risk of social isolation the chance to make positive connections that will help them thrive.

Areas of work:

- ✔ Loneliness
- ✔ Depression
- ✔ Addictions
- ✔ Dementia

Building resilience of vulnerable children

Over the last 12 months Big Hearts extended our on-going work with primary and secondary schools to offer isolated young people activities that help improve their wellbeing, build their confidence and increase their friendships.

Big Hearts' focus 2020-21: child poverty in Gorgie

Big Hearts is committed to better addressing child poverty: the biggest challenge on our doorstep. In 2019 we started developing comprehensive support to improve outcomes of low-income families living in South West Edinburgh, including home visits and advice on relief services.

The Big Hearts promise:

- ✔ **Team of dedicated family support staff**
- ✔ **100% free activities and wrap around support**

The Gorgie/Sighthill area, where Big Hearts is based, holds the highest rate of child poverty across Scotland's capital city, at 39%.

Empowering communities: Big Hearts Supporters

From Hearts' fans to local stakeholders, the Big Hearts' family continues to grow with a wide range of supporters joining our journey to make a positive difference in their community whilst changing the lives of those most vulnerable.
