

3rd Gift Back Appeal

The Big Hearts 2021 'Gift Back Appeal' is now open for charity supporters interested in providing small presents tailored to the needs of vulnerable individuals. This initiative aims to support members of our community who are at high risk of poverty or social isolation over the festive season. By taking part, you will contribute directly to someone's happiness on Christmas Day.

You can help Big Hearts deliver Christmas!

How to get involved

1. Register your interest at christmas@bighearts.org.uk
2. Get matched with the anonymous profile of a child or adult
3. Purchase small gifts for this person, up to a total value of £20
4. Drop off your presents at Tynecastle Park by **Friday 10 December**

Each anonymous profile includes the age and main interests of someone who has been referred to us by a school or charity partner.

Please keep the gifts unwrapped to allow our team to check them over before distribution. Feel free to include a card signed by 'Santa' - do not seal the envelope.

All of the items donated will be wrapped by our wonderful Christmas Volunteers and distributed ahead of Christmas day.

Thank you for your support!
